

Meta builds technologies and services that enable people to connect with each other, build communities and grow businesses. These Terms of Service (the "Terms") govern your access and use of Facebook, Messenger and the other products, websites, features, apps, services, technologies and software we offer (the or Products), except where we expressly state that separate terms (and not these) apply. (For example, your use of Instagram is subject to the Instagram Terms of Use). If we show you ads on Meta Products, these Terms also govern how Meta uses information to show you ads that businesses and organisations pay us to promote. These Products are provided to you by Meta Platforms Ireland Limited. These Terms therefore constitute an agreement between you and Meta Platforms Ireland Limited. If you do not agree to these Terms, then do not access or use Facebook or the other products and services covered by these Terms.

These Terms (formerly known as the Statement of Rights and Responsibilities) make up the entire agreement between you and Meta Platforms Ireland Limited regarding your use of our Products. They supersede any prior agreements.
